EDUCATION

SNS COLLEGE OF ENGINEERING

2022 - 2026

- BE - Electronics and Communication Engineering
- CGPA : 9.82

KONGUNADU MATRIC HIGHER SECONDARY SCHOOL

2021 - 2022

- HSC || 87.16%

2019 - 2020

- SSLC || 98.6%

SKILLS

- **Programming:** Python, HTML, CSS, Java Script, Java (Basics)
- **Tools:** Canva, Visual Studio Code, Postman
- **Salesforce:** Apex (Basics), LWC, Flow builder
- **Version Control:** Git & Github
- **Frameworks & Libraries:** React.js, Express.js
- **Backend:** Node.js
- **Databases:** MongoDB, SQL(Basics)
- **Non-Technical:** Team Work, Time Management, Communication

LANGUAGES

- English
- Tamil
- Basic Japanese

PROFILE

Aspiring engineering student driven to develop innovative solutions through technical expertise and creativity. Passionate about continuous learning and eager to apply skills in real-world projects. Seeking challenging opportunities to contribute, grow, and make a meaningful impact.

PROJECTS

• WEATHER DASHBOARD

- Developed Weather Dash, a responsive weather dashboard using React and Node.js, integrating the OpenWeather API to display current conditions, 5-day forecasts, and historical data visualizations.

• FEEDBACK COLLECTION APP

- Developed a Feedback App with Node.js and React.js for task assignment and feedback exchange. Added drag-and-drop task handling and local storage for session persistence.

• PETROL BUNK AUTOMATION SYSTEM USING RFID

- Automated fuel dispensing using RFID tags for secure, contactless vehicle identification and efficient petrol bunk operations.

INTERNSHIPS

SYNCNER – FULL STACK DEVELOPER (REMOTE, INDIA) JUL 2025 – PRESENT

- Built web apps using React.js and Node.js
- Designed APIs with Postman and optimized database queries

CERTIFICATIONS

- **SnowPro Associate: Platform** || Snowflake
- **Python** || Prep Insta
- **AI Specialist** || Salesforce
- **AI Associate** || Salesforce
- **Agentforce Specialist** || Salesforce
- **SecOps Certified Network Security Practitioner** || SecOps
- **Oracle AI Foundation Associate** || Oracle
- **SecOps Certified AppSec Practitioner** || SecOps
- **TCS iON National Qualifier Test (Cognitive)** || TCS iON
- **GitHub Advanced Security Practitioner** || GitHub
- **Microsoft Azure AI Fundamentals** || Microsoft
- **SQL(Basic)** || Hackerrank
- **Web Development Fundamentals** || IBM
